

BLUEBONNET GROUNDWATER CONSERVATION DISTRICT

Board of Directors Meeting

Thursday, February 28, 2002
9:30 AM to 3:30 PM

Harris-Galveston Coastal Subsidence District Offices
1660 West Bay Area Boulevard
Friendswood, Texas

AGENDA

1. Workshop meeting with directors and staff of other Groundwater Conservation Districts in the area covered by the Upper Gulf Coast Groundwater Availability Model to share information and ideas related to groundwater resources, discuss opportunities for cooperative data collection and modeling and to establish a network of contacts for groundwater-related information.
