_____ Well Completed but not operating (Date Drilled _____)

_____ Well Development permit attached or awaiting approval

Authorization to produce the following quantity of water annually from this well is: _____ Gallons

A well operating permit is normally issued for a period of one year (12 months). If a permit for a longer period of time is requested, attach a statement detailing the reasons for a longer permit period and the period of time requested.

If the water produced from this well will be used in whole or in part on property other than the property where the well is located, **describe the location where the water will be used.** Transportation of water produced and moved to another location may require a District Transportation Permit. See District Rules, Section 10 or contact the District office for information.

_____

_____

BLUEBONNET GROUNDWATER CONSERVATION DISTRICT

Permit application approved on: _____   By: _____   Zach Holland, General Manger

The following documentation, attachments and fee payments must accompany this application when it is submitted for consideration by the District.

    a.   Plat or map showing location of the property and location on property of well for which application is submitted.

    b.   If the owner and/or the operator of well is different from the property owner, provide written documentation from the property owner authorizing construction and operation of this well.

    c.   All the information and documentation required for the type and class of well for which authorization is requested by Section 8 of the District Rules and in particular that information and documentation required by Rule 8.5.

    d.   If this permit application is for a well completed with an inside casing diameter of eight (8) inches or greater, or for any of the conditions enumerated in District Rule 8.5 F, a current hydrogeological report (a report completed within 18 months of the date of this application is considered current) shall be submitted with this application.

    e.   Payment for applicable fees must accompany application. For a non-exempt well the appropriate Operating Permit Application Fee ($375.00 +$750.00 if inside casing diameter is eight (8) inches or greater) must be included.

    f.   The applicant's water conservation plan and if any subsequent user of the water is a municipality or entity providing retail water services, the water conservation plan of that municipality or entity shall also be provided. In lieu of a water conservation plan, a declaration that the applicant and/or a subsequent user if any subsequent user is a municipality or entity providing retail water services will comply with the District Management Plan.

    g.   The applicant's Drought Contingency Plan and a copy of any subsequent user's Drought Contingency Plan or a declaration that the applicant or a subsequent user will comply with District rules, policies and Board actions in drought conditions.

I, the undersigned applicant, hereby agree and certify that:

    a.   in using this well, I will avoid waste, achieve water conservation, protect groundwater quality and the water produced from this well will be for a beneficial use;

    b.   I will comply with all District and State well plugging and capping guidelines in effect at the time of well closure;

    c.   I agree to abide by the terms of the District Rules, the District Management Plan and orders of the District Board of Directors currently in effect and as they may be modified, changed and amended from time to time;

    d.   I hereby certify that the information contained herein is true and correct to the best of my knowledge and belief.
